NARRATIVE:

Charles Guenther is a documented gang member and has an extensive adult criminal history that began at the age of 24. His convictions include trespassing, theft of personal property, multiple thefts, illegal possession of syringes, 1st degree burglary, violation of parole, possession of controlled substances, false ID to a peace officer, vehicle tampering, contempt of court, vehicle theft, evading a peace officer, prohibited possession of ammo, and driving without a license. He has served multiple state prison terms, the longest being a 4 year term for 1st degree burglary. Guenther was released from state prison to the supervision of the Los Angeles County Probation Department on June 1, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in November 2014 after he absconded from post release community supervision (PRCS). Guenther qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for prohibited possession of ammo is defined as non-serious and non-violent under the California penal code. His prior criminal history, gang member status, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
